## ONSITE DELIVERY

*Need a part? Can't get to our store? Lee Rain understands, especially during the busy season, and will make things easier for you by delivering the parts you need, when you need them. Convenience. On wheels. Saving you valuable time.*

## ONSITE INVENTORY

With an initial order of \$250.00, Lee Rain will provide your business with its own Lee Rain shelving system. We will replenish your inventory as you use it.

*Not sure of what you should stock? Don't worry. We will base your inventory off of your most common items you have purchased from us.*

Onsite Equipment Management No.

# PU001

www.leerain.com

## ONSITE EQUIPMENT MANAGEMENT

With Onsite Equipment Management, Lee Rain will maintain a detailed database of your irrigation equipment, no matter what brand, that includes technical support data and service history. Each piece of your equipment will be marked with a Lee Rain decal similar to the one shown to the left.

## ONSITE TECHNICAL DATA

Not only will Lee Rain's Onsite Mobile Store be manned with an experienced Technical Sales Associate, but we will also bring all the technical data of over 65 years in business to you. Having this technical data conveniently available will help determine how, and what parts are needed, to repair your equipment.

By taking advantage of Lee Rain's **ONSITE SERVICES**, you will continue to enjoy the value and benefits of our well-stocked Lee Rain store, with the added convenience of having it all **ONSITE**.

*Contact your Onsite Representative for more details.*
